SIR,

Subject - Continuance of the services of the two female searchers.

With reference to your letter No. 11671/M1 10-41-137 dated 17-6-42 calling for certain particulars on the above subject, I have the honour to state that the above temporary establishment is being continued year after year from 6-5-1932.

It is necessary to continue their services further as the employment of these female searchers works as a preventive measure against smuggling in gosha carts. It is reported by the Octroi Superintendent that 185 Gosha carts were checked during the year and that no case of smuggling was noticed.

With a view to create a sort of moral fear in the minds of the public against having recourse to smuggling in gosha carts, the continuance of this establishment is found necessary I request that, in these circumstances, Government may ~~by~~ kindly be moved to accord sanction to the resolution of the Municipal Council dated 6-4-1942 approving the continuance of this temporary establishment for a period of one year from 1-5-42. This establishment is being continued in anticipation of kind sanction of Government, Necessary provision has been made in the current year's budget to meet the expenditure on account of this temporary establishment

I have the honour to be,

Forwarded with compliments.
